

Accordé Joins n-Tier's Partner Program

Accordé announces agreement with n-Tier to market and sell n-Tier's products across Belgium, Germany, and The Netherlands

THE NETHERLANDS, May 18 -- Accordé B.V., a specialized solution provider of consultancy and integration services to banking and financial services, is pleased to announce that it has joined n-Tier Financial Services' Partner Program and will be marketing and selling n-Tier's products across Belgium, Germany, and The Netherlands.

Accordé delivers expertise and solutions to complete value chains with data management between operations, administration and accounting by using reconciled data. The preferred solutions support for a transparent and clear view on process controls, adequate administrated workflow on exceptions handling and certified accounting reports.

Getmar A. Wesselink, Founder and Managing Director of Accordé said: "the n-Tier solutions does perfectly fit in the philosophy of our back-to-basics solutions, flexible core functionalities, short time-to-market implementation and, hence, to offer a superb solution to our customers on a realistic cost base.

Peter S. Gargone, Founder and Managing Director of n-Tier Financial Services added: "We are pleased to welcome Accordé to our partner program and believe their unique level of expertise in reconciliation processes, project implementation, and operations will provide significant value to our clients and will enhance the growth of our business across these important European markets."
